PROGRESS THROUGH SERVICE 1863 1963

A CENTURY OF COMMERCIAL BANKING

It was in 1863 that President Lincoln signed the National Currency Act. The Act provided for the issuing of a national currency and for the establishment of a system of Federally chartered banks to take their place alongside the already established system of state-chartered banks.

It didn't make big headlines at the time; but, ever since, it has had far-reaching consequences for the American economy—in other words, your pocketbook.

During the century between 1863 and 1963, this effective dual system of banking has contributed immeasurably to America's growth; and its role in the Nation's life has been constantly advancing. Our bank is proud of expanding its service to meet the growing needs of its neighbors; proud to contribute thus to progress, for America and for you; proud to share in the observance of a significant American centennial—the theme of which, appropriately, is "Progress through service."

Railroad Bridge Burns Pamplin

A fire burned the wooden flooring of a steel supported railroad bridge in Pamplin Monday afternoon, causing extensive damage, according to Pamplin fire chief H. J. St. John.

Both Pamplin and Appomattox fire companies answered the call between 3 and 3:30 p.m. Monday when crewmen burning a right way near the bridge lost control of their fire, and the wooden flooring caught fire. The bridge is located off Rt. 47 on the old Pamplin - Madisonville highway. One family uses it to get to their home.

"We had just about used up your supply of water when Appomattox got to the fire," said St. John. He filled up his truck tank in Pamplin and returned to the scene. "If it hadn't been for them we couldn't have handled it," he added. The fire burned for about an hour, and N&W crewmen aided the eight firemen of both companies who answered the call.

No estimate was given of the damage.

Four different ways to make going more fun than getting there

You can see why one of America's favorite outdoor sports is driving Chevrolets, with four entirely different kinds of cars to choose from. There's the *Jet-smooth Chevrolet*, about as luxurious as you can go without going overboard in price; the low-cost *Chevy II*, a good-looking car that would send any family packing; another family favorite, the sporty *Corvair*, whose rear-engine traction will make you think that ice and snow are kid stuff; and for pure adventure, America's only sports car, *Corvette*—now in two all-new versions with looks that can stop traffic like a rush-hour blizzard. Picked your favorite already? The next thing is to take the wheel at your Chevrolet dealer's. If that doesn't have you thinking of places to go, maybe you'd rather just have a ball around town!

Carver-Price Avenged Defeat

Carver defeated their co-district leader Anders Friday night and took over undisputed possession of first place in the district. The contest was a n'p and tuck battle all the way with the scores being even at intermission 27 all. Only five penetrated the court for the Panthers in this affair and all of them had outstanding performances. Led by Charles Fleshman's shooting and rebounding the shooting of Steve Watson and Thurman William, and the scoring efforts of Gene Scruggs and Robert Humbles. With but 59 seconds remaining in the contest and the scores tied at 46 all, Scruggs went to the line with a one and one situation, made good on both attempts, and moved the court to 48-46 in favor of the Panthers. With 29 seconds remaining in the contest Amherst was treated to a one and one situation. They were able to make good on one attempt and the Panthers were still ahead by a score of 48-47 and they had the ball. With 17 seconds remaining Robert Humbles was able to get away for a score and that was the end of the scoring for the night with the Panthers changing the bitter to sweet on the Host's Floor.

With this sweet victory the Panthers are almost sure of their second district crown in a row and the top spot in the tournament which will be he'd on the Panthers court on Saturday, Mar. 2, 1963.

The Panthertes did not play in the district last year but will be out to show up their district championship which would give them two crowns in as many years of competition, a'd bring not just bacon but the whole hog home to "Dear Old Carver"
